SEAL Residence

SEAL offers the students the opportunity to reside at the school premises, hence avoiding running late to class or having to catch the bus or hire a car to get there.

The premises include seven twin rooms, all with an *en-suite* bathroom, with free toiletries, and a shower, covering all the necessary amenities.

All rooms, like all classrooms, the library and the hall, have free Wi-Fi, access to the school's private garden and BBQ area, making your stay even more enjoyable!

The school gives the students the option of a daily continental or English breakfast, served daily in the breakfast area or the outside terrace, as well as a freshly prepared packed-lunch and evening meal. When preparing the daily dinner, our staff strives to give the students an authentic taste of both the Mediterranean and typical Maltese dishes.
